CURATORIAL PROGRAM

Motivated by the **commitment** to contemporary art and young creators, the fair dedicates for the first time a Curatorial Program, in charge of **Natalia Alonso Arduengo**, in order to serve as a **platform for visibility during the Madrid Art Week**. This initiative represents an institutional support by ART MADRID because it offers the possibility to **four creators** to show and divulge their projects in an event and commercial space such as an art fair. One more door to the market through a real economic and promotional support.

In this way, during the celebration of the eighteenth edition of ART MADRID it will be possible to enjoy the installations of **Dela Delos** and **Lorena Gutiérrez Camejo**, and the performances by **Agnes Essonti Luque** and **Alexia Sayago**.

As in the last edition, the curator Natalia Alonso Arduengo will also offer a **curated tour** under the title 'Otherness' that starts with a **selection of 10 works from the booths of the galleries taking part**, establishing an itinerary to be followed under the concept of *Identity*.

Artists and galleries that are part of the tour are: **Raquel Algaba of Arancha Osoro Gallery; Roger Sanguino of DDR Art Gallery; Federico Granell of Metro Gallery; Jorge Hernández of Aurora Vigil-Escalera Gallery; Carsten Brauer of Uxval Gochez Gallery; Chamo San of N2 Gallery; Costa Gorel of Dr.Robot Gallery; Oliver Okolo of OOA Gallery; Jordi Díaz Alamá of Inéditad; and Xurxo Gómez-Chao of MoretArt.**

ONE SHOT COLLECTORS

ART MADRID offers once again, with its sponsor One Shot Hotels, **the free Collecting Program One Shot Collectors by Ana Suárez Gisbert**.

The program is designed both for people who want to **get started** in the world of collecting and for those who will **present a collection and would like to expand it**. Also for those companies that want to reflect their brand values through a contemporary art collection.

In order to participate in the service, it **is only necessary to register in advance** by sending an e-mail to **vip@art-madrid.com**.

ABOUT ART MADRID

ART MADRID will celebrate its **eighteenth edition from February the 22nd to the 26th, 2023, during the Madrid Art Week, at the Galería de Cristal del Palacio de Cibeles**.

The fair attracts year after year a greater number of public (more than 20,000 visitors in each of its last five editions), as well as new collectors. A very important mission for ART MADRID is to continue creating a market and promoting national and international collecting in the context of Madrid's Art Week. The fair is characterized by being a proposal close and open to all audiences who want to know the reality of the world of contemporary art.
